EEOIAA PLAN

It is the policy of this Company that there not be any discrimination by virtue of race, religion, color, age, sex, national origin, disabilities or Vietnam Era and Special Veterans status, in the functions of hiring, placement, up-grading, transfer or demotion. In addition, there shall not be any discriminatory practices in recruitment, advertising, or solicitation for employment, rates of pay or other forms of compensation, selection for training including apprenticeship, layoff or termination, or treatment during employment. The Company has affirmative action obligations in the hiring of minorities, females, disabled and veteran's applicants.

We will not use goals, timetables or affirmative action standards to discriminate against any person because of their race, religion, color, age, national origin, disabilities, or Vietnam Era and Special Disabled Veteran's status.

This Company shall take specific affirmative actions to ensure equal opportunity. Our compliance with this policy and plan shall be based upon our efforts to achieve maximum results from our actions and we shall document our efforts fully. This Company will implement specific affirmative action steps, at least as extensive as the following actions to ensure equal employment opportunity:

1. Ensure and maintain a working environment free of harassment, intimidation, and coercion at all times and in all facilities at which our employees are assigned to work. We shall specifically ensure that all foremen, superintendents and other on-site supervisory personnel are aware of and carry out our obligations to maintain such a working environment.

When applicable if such individual was sent to the Union hiring hall for referral and was not referred back to the Company by the union or, if referred, not employed by the Company, this shall be documented in the file with the reason therefore, along with whatever additional actions the Company may have taken.

4. Provide immediate written notification to the Director when the union or unions with which we have a collective bargaining agreement have not referred to us a minority person or woman sent by us, or when we have other information that the union referral process has impeded our efforts to meet our obligations.
5. Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee programs relevant to the Company's employment needs, especially those programs funded or approved by the Department of Labor.
